

Requirements Detailed Report

This report displays all of the requirements defined for the current project in the order they appear in the requirements list. The requirement's details and coverage status are displayed, along with sub-tables containing the list of covering test cases, linked incidents/requirements, attached documents, associated tasks, linked artifacts and the change history

Product98:Project-s3881257

RQ:6924-user wants to check how to buy a fish and buy a fish
